PART V-CONDITIONS

1. POLICY PERIOD

Coverage H applies only to accidents and occurrences which take place during the period this policy is in force.

2. LIMITS OF LIABILITY

The inclusion under Coverage H of more than one "Insured" shall not operate to increase the limits of the Insurer's liability.

- (a) Under Coverages A.1 and A.2

The limit of "Bodily Injury" liability and "Property Damage" liability inclusive stated in the Liability Declarations as applicable to "each accident or occurrence" is the limit of the Insurer's liability for all damages arising out of "Bodily Injury" liability and "Property Damage" liability combined, in

respect of any one accident or occurrence or series of accidents or occurrences arising out of one event, regardless of the number of claims arising therefrom. All "Property Damage" arising out of a continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one accident or occurrence. The limits of "Bodily Injury" liability and "Property Damage" liability stated in the Liability Declarations as "aggregate each policy year" are the total limits of the Insurer's liability for all damages arising out of the "Products Hazard" and "Completed Operations Hazard" in any one policy year. All such damages arising out of one prepared or acquired lot of goods or products shall be considered as arising out of one accident or occurrence.

(b) Under Coverage A.3

\$5,000 is the limit of the Insurer's liability in respect of any one accident or occurrence for all expenses incurred by or on behalf of each person who sustains "Bodily Injury", including death resulting therefrom.

(c) Under Coverage A.4

The limit of the Insurer's liability for loss of property arising out of any one accident or occurrence, shall not exceed the least of:

- i) the actual cash value of the property at the time of loss;
- ii) what it would then cost to repair or replace the property with other of like kind and quality; or
- iii) the limit of \$2,000.

Under Coverage A.4 the Insurer may pay for the loss in money, or may repair or replace the property and may settle any claim for loss of property either with the Named "Insured" or the owner thereof. Any property so paid for or replaced shall, at the option of the Insurer, become the property of the Insurer.

3. NOTICE OF ACCIDENT OR OCCURRENCE

When an accident or occurrence takes place, written notice shall be given by or on behalf of the "Insured" to the Insurer or any of its authorized agents as soon as practicable. Such notice shall contain particulars sufficient to identify the "Insured" and all reasonably obtained information respecting the time, place and circumstances of the accident or occurrence, the names and addresses of the injured persons and of available witnesses.

4. NOTICE OF CLAIM OR SUIT-COVERAGE A.1, A.2

If claim is made or suit is brought against an "Insured", the "Insured" shall immediately forward to the Insurer every demand, notice, summons or other process received by him or his representatives.

5. ASSISTANCE AND COOPERATION OF THE INSURED-COVERAGE A.1, A.2

The "Insured" shall cooperate with the Insurer and, upon the Insurer's request, shall attend hearings and trials and shall assist in effecting settlements, securing and giving evidence, obtaining the attendance of witnesses and the conduct of suits.

The "Insured" shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for such immediate medical and surgical relief to others as shall be imperative at the time of the accident or occurrence.

6. MEDICAL REPORTS: PROOF AND PAYMENT OF CLAIM-COVERAGE A.3

As soon as practicable, the "Insured" shall arrange for the injured person or someone on his behalf to give to the Insurer written proof of claim, under oath if required, and at the request of the Insurer execute authorization to enable the Insurer to obtain medical reports and copies of records. The injured person shall submit to physical examination by physicians selected by the Insurer when and as often as the Insurer may reasonably require. The insurer may pay the injured person or

organization rendering the services and such payment shall reduce the amount payable hereunder for such injury. Payment hereunder shall not constitute an admission of liability.

7. PROOF AND PAYMENT OF LOSS-COVERAGE A.4

As soon as practicable, but not later than 60 days after the loss, the "Insured" shall file proof of loss with the Insurer, under oath if required, setting forth the interest of all persons in the property affected, the actual cash value thereof at time of loss, and the amount, place, time and cause of such loss. Upon the Insurer's request, the "Insured" and any interested person shall exhibit the damaged property to the insurer and produce for the Insurer's examination all pertinent records and sales invoices, all at such reasonable times and places as the insurer shall designate, and shall cooperate with the insurer in all matters pertaining to loss or claims with respect thereto.

8. ACTION AGAINST INSURER-COVERAGE A.1, A.2

No "action" shall lie against the insurer unless, as a condition precedent thereto, the "Insured" shall have fully complied with all the terms of this coverage, nor until the amount of the "Insured's" obligation to pay shall have been finally determined either by Judgment against the "Insured" after actual trial or by written agreement of the "Insured", the claimant and the Insurer.

9. ACTION AGAINST INSURER-COVERAGE A.3, A.4, A.5

No "action" shall lie against the insurer unless, as a condition precedent thereto, there shall have been full compliance with all terms of this coverage, nor until 60 days after the required proofs of claims have been filed with the Insurer.

10. OTHER INSURANCE

If, at the time of an accident or occurrence covered by this coverage there is any other insurance which would attach if this insurance had not been effected, the "Insured" under this coverage shall be liable only for the excess, if any, of any loss over the applicable limit of the other insurance covering such loss.

11. PREMIUMS

If the premium is based wholly or partly upon an estimate of receipts, such premium shall be subject to adjustment at the termination of the policy period if written for one year or less, or at the end of each annual period if written for more than one year, when the "Insured" shall furnish to the insurer for the purpose of such adjustment a written statement of the exact amount of all receipts accruing during the period of such adjustment. If the earned premium computed thereon exceeds the advance premium paid for such estimates, the "Insured" shall immediately pay the additional premium due to the Insurer; if less, the insurer shall return to the "Insured" the unearned portion of such premium subject to the retention of the minimum premium expressed in the coverage. When used as a premium basis, the word "receipts" shall mean the gross amount of money charged by the "Insured" for such operations during the policy period as are rated on a receipts basis.
